

## **STUDENT QUESTIONNAIRE**

Directions: Answer the following questions. Be sure to think out your answers as you would if being interviewed for the Co-op program.

1. What are your interests in and expectations for Co-op?
  
2. What subject do you like the most and why? What subject do you dislike? Why?
  
3. Everyone does something well. What do you think are your best qualities and why?
  
4. What are your future career and educational plans?
  
5. What do you understand to be the attendance policy of the Co-op program? What are the consequences for unacceptable attendance?
  
6. What qualities do you think you have that will make you a good employee?
  
7. How would you deal with an employer who asks you to do boring jobs?
  
8. Will your part-time or extra-curricular activities interfere with Co-op? How?
  
9. Do you have any medical problems that could affect your Co-op work placement?
