

ANNOUNCEMENTS

Monday, April 22, 2024

- Attention Grade 12 SHSM students: There is mandatory CPR and First Aid training coming up. Please see the lists posted outside of Student Services ASAP. All sessions are 2 full days and are mandatory to graduate with an SHSM. Please see Mrs. Gordon or Mr. Pullar if you have any questions.
- Attention Grade 12 graduating students! Just a friendly reminder if you are interested in representing the Class of 2024 as the Valedictorian you are encouraged to submit a nomination form. The google form can be found on the Grade 12 Student Services NCVLE. Forms MUST be submitted by 2:10 on April 26th. Please note there will be NO exceptions to this due date. Please see Student Services if you have any questions.
- This is an announcement for those students interested in a community service opportunity. There will be a MS Walk on May 26 and they are looking for volunteers, please check out your grade ncvle for the QR code and additional information.
- The Reds baseball team will practice on Monday April 22 and Wednesday April 24, both at 3pm in Merritton, in preparation for the first two games, on May 1 and May 2.
- Art club members are asked to meet at the marble staircase after announcements for a group yearbook photo. Teachers, please allow art club members to meet at the marble stairs after today's announcements for a quick group photo - thank you.

- Starvathon T-shirts are in. Once you have bought one on school cash online, please come and pick it up on your own time in Room 206 from Mrs. Clark. Also keep collecting pledges and join us for Starvathon on May 9th. Earn 6 hours of community service.
- Flag Football Players on the Junior and Senior Boys Teams and the Varsity Girls Teams. We will all be practicing tomorrow morning. Practice will be outside if weather allows. Also tournament and shirt fees are now available on school cash online and must be paid this week. Please be in attendance for practice tomorrow morning.
- The mock trial team will meet on Tuesday and Thursday this week in room 118. The trial is in 2 weeks and team members are encouraged to attend as often as possible this week and next.
- Keep calm and put your lab coat on! Attention all students, the Science Olympics are back and it's time to get your teams together and sign up. Will you luge your way through problem-solving? Try your hand at building towers with cards and testing their strength or build boats out of paper and test their limits. The possibilities are endless. A maximum of 64 students will be allowed to participate in teams of 4 and will compete for various prizes. You don't need to be an Einstein to join the fun. No science background or experience is needed. Please sign up today at the Science office to ensure your team's spot. The Science Olympics will take place on Monday May 6th during periods 1 and 2.
- Today is Earth Day! This year's global Earth Day theme is "Planet vs Plastics"! To celebrate and raise awareness for the need to protect our Earth, Period 5 teachers will be encouraged to participate in short activities with their classes throughout the week to promote and take action to care for our Earth! Each day this week we will also be sharing tips on how to support a healthier planet for us and future generations! Today's Earth Day Action Tip is: Try to cut down on single use plastics - challenge yourself to pack a waste-free lunch!
