- It is that time of year again when we start to prepare for our Triple A Awards Assembly and acknowledge all the great work and efforts of our students. Point sheets are available in the NCVLE to be printed or there are hard copies printed for pick up in Student Services. If you are interested in submitting, you will need to gather signatures from coaches or moderators for the teams, clubs and activities you have participated in over the years and submit your signed forms to Student Services by May 21st at 2:10 pm. Late forms will NOT be accepted. We have to order items so Tuesday, May 21st at 2:10 is a very hard deadline.
- Attention Reds, did you know that one person is injured in a distracted-driving collision every half hour? More than 33% of Ontario high school students (grades 10 to 12) say they have texted while driving at least once in the past year. For Ontario high school students in grade 12 alone, the number climbed to 46% who have texted while driving. Want to make a difference, stop by the Cafeteria on your lunch Thursday and Friday to sign a pledge to never drive impaired or distracted. While you are there, try our “drunk goggles” obstacle course and guess how many sour keys are in the jar to win a prize!
- Hey Grads! There are only 4 days left to submit your preschool photo to the yearbook team to be included with your grad pic. The image must be

digital. It is your choice what image you submit but all images are subject to approval. If no image is provided, your grade 9 or 10 image may be used. The deadline is this Friday! Don't delay! Please see your Grad NCVLE for info or Mr. Murray if you have any questions.

- The Denis Morris Mock trial team started preparing in December and finally got to compete in the tournament last Thursday at the St. Catharines Courthouse against 11 other local high schools. Arguing a very complicated second degree murder case, the team competed against St. Michael, Greater Fort Erie and AN Myer, qualifying to return on Friday for the finals. On Friday, the team defeated Blessed Trinity and St. Michael before finally losing by 4 points in the final trial, capturing the silver medal and our THIRD top-two finish in three years. Max Cecchini was named the BEST WITNESS of the entire tournament. The team performed incredibly and admirably over the two day tournament. Team members included Pearse Conlon, Elyse Naphin, Chiphra Kinga, Tessa Pingue, and graduating seniors Daniela Lopez, Camila Lemus, Rachel Hall, Max Cecchini, Ella Caplan, Jessen Archer, and Hannah Dim. Congrats to all of you for a fantastic showing and a very impressive tournament, facing off and standing up against picky judges, feisty lawyers, and uncooperative witnesses, and thinking on your feet under incredible pressure. A job very, very well done by all of you. The coaches thank you for your time, energy, and commitment to the team. Good luck in law school to all of you.
