J Nap	Attention grade 12s and staff: If you are at least 17 years old and 125 pounds, PLASMA is in you to give. Thousands of patients in Canada depend on blood plasma donations to treat primary and secondary immunodeficiency, autoimmune disorders, neurological conditions, and many other common but serious diseases. Demand for lifesaving plasma is growing in Canada and around the world. If that is not enough to inspire you, you can also earn 3 Community Service hours for each donation you make, and you might be able to donate every single week. It truly is a WIN WIN situation. You SAVE LIVES and earn your required hours of service. If any grade 12s or staff are interested, see Mr. Naphin in room 118 anytime for details.
