

Name:	Announcement:
Erin Farkas	On May 6th there will be an OSAP Presentation for grade 12 students attending post- secondary. Please sign up in Student Services if you are interested in attending this presentation. You must sign up at least one day in advance.
O'Rourke	Attention Grads. The process for applying to be the 2025 Valedictorian is now on the NCVLE under both the Graduation and Valedictorian Tabs. Deadline to apply is April 25th. See Student Services if you have any questions.
Anthony Giavedoni	Do you have a passion for performance and strive to stand out from the crowd? Then sign up to be apart of the famous Reds Idol at this year's Starvathon on Thursday May 8th! Scan the QR code found on posters around the school to sign up today! See Mr. Giavedoni for more details.
Naphin	Grade 12s and staff: More than half of the blood flowing through your veins is actually plasma. Plasma supports your immune system and helps other blood components circulate through your body. This protein-rich, pale-yellow fluid has earned its nickname "liquid gold" because it can be transfused directly into patients in urgent situations, such as severe infection and excessive bleeding, or it can be made into lifesaving medication for many common diseases. Please consider donating, simply to be a great person, but also to earn 3 hours of community service each time you donate, a process that is similar to donating whole blood, but easier on your body. They give great snacks when you're done, too! And you can go EVERY WEEK. So, decide to donate, then see Mr.

	Naphin in room 118 for how to join the Denis Morris Plasma team. Staff, hopefully you can show some leadership here, too. Thank you.
L. Marchese	Attention Self-Identified Indigenous Students! Join us for the Second Annual Student Voice Gathering on Thursday, May 8th at Heartland Forest. This is a fantastic opportunity to connect, share your experiences, and make your voices heard. For permission forms, please see Miss Marchese in Room 113 or pick one up at the Student Services Office. We look forward to seeing you there!
Dr. Naphin	Good morning, Reds. On April 29, Canadians will head to the polls to elect our next federal government. As we do for every election, we will have a Student Vote, to be held on Thursday April 24, to allow YOU to have YOUR say. There will be a short announcement each morning, summarizing the views of one of the major political parties--you should listen and decide which one YOU would want making decisions about YOUR life. You should have a say in what your country does about the climate crisis, health care, taxes, and immigration. We also need to decide who we want dealing with Donald Trump on our behalf as he talks about TAKING OVER CANADA and making us a 51st state. That is what will be decided in this election. Who do YOU want to be the Prime Minister? Student Vote, next Thursday, in period 1 for grade 11 and 12, and period 2 for grade 9 and 10.
Laura PT	Yesterday, your Lady Reds Varsity Girls Soccer team kicked off their regular season with a 0-0 tie vs. St. Mike's despite the flurry of shots that were sent towards the Mustangs. Tessa Pingue and Maggie Bell shared the shut out, while Audrey Susa generated a yellow card for being enthusiast

	<p>in the defensive wall. Good luck next week at your tournament in Welland on Tuesday. Happy Easter!</p>
Erin Clark	<p>Congratulations to the Senior Boys Flag Football team who braved the bitter cold to bring home the first win with their season opener against Saint Paul. The boys secured their 28-13 victory over the Patriots playing as a team. Lincoln Marsh Hall found open receivers Tyler Thompson and Sam Kramer to stump the opposition. Meanwhile Ethan Duong made several impressive sacks to keep the Saint Paul QB from capitalizing on any plays. In game two the Reds fell to Saint Francis but not before scoring an impressive 19 points against the flag leader. Standouts Liam Laroque, Gavin Sawatsky and Connor Bolibruck could be found making plays on both sides of the ball. Coaches are impressed by the talent on the field and look forward to the next set of games Wednesday when we take on Notre Dame and Lakeshore on Saint Paul's turf field.</p>
Katie Spiece	<p>Attention current and new council! Please pick up a permission form from Mrs. Spiece in room 216 to attend the Student Leadership symposium on May 7th.</p>
Kevin Ivanko	<p>Keep calm and put your lab coat on! Attention all students, the Science Olympics are back and it's time to get your teams together and sign up. Will you "looge" your way through problem-solving? Try your hand at building towers with cards and testing their strength or build boats out of paper and test their limits. The possibilities are endless. A maximum of 64 students will be allowed to participate in teams of 4 and will compete for various prizes. You don't need to be an Einstein to join the fun. No science background or experience is needed. Please sign up today</p>

	at the Science office to ensure your team's spot.
Erin Clark	All flag players must pay for their shirts and season before the next game to be part of the lineup. Please go to school cash online this weekend to settle your accounts.
