Kevin Ivanko	Keep calm and put your lab coat on! Attention all students, the Science Olympics are back and it's time to get your teams together and sign up. Will you "looge" your way through problem-solving? Try your hand at building towers with cards and testing their strength or build boats out of paper and test their limits. The possibilities are endless. A maximum of 64 students will be allowed to participate in teams of 4 and will compete for various prizes. You don't need to be an Einstein to join the fun. No science background or experience is needed. Please sign up today at the Science office to ensure your team's spot.
L.Marchese	Attention DM students! With the Federal Election just a week away, it's crucial to stay informed about the candidates running for office. Pierre Poilievre's Conservative Party platform aims to reduce the lowest income tax bracket, remove GST on new homes to lower housing costs, and ensure a balanced budget by cutting government consultant positions. The conservatives will ensure a balanced budget by saving a dollar for every dollar spent and cutting government consultant positions to reduce costs. Local Conservative MPs Bas Sluijmers (St. Catharines) and Fred Davies (Niagara South) support these measures and have been actively involved in community initiatives to improve local infrastructure and services. Exercise your democratic right by taking part in our school Student Vote on Thursday, April 24th. This is a great opportunity to engage in the electoral process and

	make your voice heard.
O'Rourke	Attention Grads. This is a reminder that Valedictorian applications are due no later than 12:00 noon on this Friday, April 25. Please submit them to Mr. O'Rourke in Student Services.

Laura PT	Yesterday, the Varsity Girls Soccer team competed in The Niagara Cup tournament in Welland. Finishing second in their division, they moved on to beat North Park Collegiate 1-0. Moving onto the finals in the second division, they won in shootouts with a score of 3-2. Congratulations to Jamie Kamendy who was named MVP of the tournament for the Reds team. Additional goal scorers were Marisa Rapone and Maggie Bell. The coaches were very proud of the girls and their determination throughout the tournament. Players are reminded of their game today at 3pm verses STF. Please excuse team members at 1:40pm.
Di Francesco	As we continue to celebrate Earth Week with this year's theme - Our Power, Our Planet - today's Eco Action tip is a reminder to bring in old, used batteries to the Library or Room 236 for proper battery recycling. By keeping batteries out of landfills we can help reduce groundwater pollution and help prevent harmful chemicals from entering the environment.
Di Francesco	Eco Club will be meeting today after school in Room 236, all are welcome!
Erin Clark	Congratulations goes out to the Junior Boys Flag team who claimed two more victories in their double header over Blessed Trinity. Game one was all about the defense with Lucas Baxter, Lucas Sarter and Owen Corman each claiming interceptions. Roman Kutripov also locked down his position at corner. Game two saw Josh Defelice bring in his third touchdown of the day while Giacomo Delpriore racked up the extra points in the red zone. Even rushers, Zay Stephens and Mikey DeGasperis put points on the board with safeties in both games. The boys remain

	the only undefeated team heading into week three! Way to go Reds!
Naphin	Attention Mock trial team--the meeting scheduled for tonight has been cancelled. Sorry for the late notice. We will meet again, as usual, on Monday after school.
