The Liberal Party of Canada is a major Canadian political party and it was established in the 1880's. Some of the goals the Liberal Party would like to achieve is to boost transit safety, give all Ontarians access to a family doctor, cut middle income tax by 22%, and remove HST from home heating and hydro bills. <p>Scott Russell</p>	<p>Congratulations to the junior boys basketball team who won the Double A Zone Championship last night against Blessed Trinity by a score of 73-45. A decisive and well-deserved victory for a group of boys who have worked so hard all year. Our leading scorers were Bishop Austin with 19, London Perdue right behind with 18, and Marshall Treiers and Sebastian Aguirre chipping in with 10 and 9 respectively. Props to David Arnold for contributing 7 points and playing lock down defense, and to Hudson Hough for grabbing a ton of rebounds. A special shout out to Muliek Less who had a breakout game, scoring 6 points off the bench and simply out hustling everyone on the floor on every single possession. They were just too small! Good luck to the boys as practice continues Monday at 2:30, leading up to the SOSSA Championship games next Friday. Let's go junior Reds!</p>
