Erin Clark	<p>Congratulations to our over 250 Starvathon participants last night who raised close to \$5000 for Wells of Hope, Immaculee Conception and our local charities. Collectively you earned over 1500 community service hours. Thank you to all the group leaders, station organizers, readers, administration, office staff, photographers and chaperones who supported last night's Starvathon. This is definitely a Reds Community effort and would not be possible without the support of so many selfless souls. Thank you all for Rejoicing in Hope, last night and always. We still have a few Starvathon shirts left so if you haven't picked up the shirt you already purchased yet or if you want to purchase one still for spirit wear with \$20 cash, you can come to see Mrs. Clark in room 206 today and next week on your lunch or spare. Teachers please note that participants who raised over \$20 last night will be wearing a red bracelet today to indicate that they earned an out of uniform. Any student who is fully out of uniform without a Red Bracelet should speak to Mrs. Clark or administration.</p>

Milena Matijevic	Track and Field athletes are asked to please check their email regarding their Zone entries for next week. Thank you.
