Lori Bata	<p>Attention Reds, did you know that one person is injured in a distracted-driving collision every half hour? More than 33% of Ontario high school students (grades 10 to 12) say they have texted while driving at least once in the past year. For Ontario high school students in grade 12 alone, the number climbed to 46% who have texted while driving. Want to make a difference, stop by the cafeteria on your lunch from Wednesday to Friday to sign a pledge to never drive impaired or distracted. While you are there, try our “drunk goggles” obstacle course and guess how many sour keys are in the jar to win a prize!</p>
Laura PT	<p>Yesterday, your Reds Varsity Girls' Soccer Team traveled to Niagara Falls to play St Paul. It was a close game, but DM found a way to squeeze out a win beating the Patriots 1-0. Scoring for the Reds was Charlotte Graham with the assist going to Jamie Kamendy. Sophia Carile should be commended for the beautiful corner kick, which led to the goal. Another solid performance by Maggie Bell, who recorded the shut out. The girls are in a tournament today in Grimsby. Good luck, ladies!!!</p>
