Erin Clark	All three flag teams were in action yesterday at the second annual Nitro HS Classic. The Jr. Boys, Sr. Boys and Varsity Girls battled all the elements to begin the day in the pouring rain before eventually moving inside to finish when the weather got too bad. Throughout the day, the teams all had impressive showings. The girls began their day with a decisive win over Notre Dame and went on to

	<p>eventually lose in quarter final action to Saint Michael. Congratulations to graduating seniors, Tessa Pingue, Kailey McKimm, Kennady Forster, Sienna Read, and Chloe Hutton. The Senior Boys team came out strong, with an early victory over Holy Cross.</p> <p>They went on to seal decisive victories to take them to the final against AN Myer. In a heartbreaker, the boys lost by just three points in the final minutes. The Senior Boys are back in action this Friday at the Saint Paul 7 V 7 Tournament. The junior boys took on Blessed Trinity in their opener and never looked back from there. They took the Semi Final against Notre Dame to a tie breaker and moved on to the finals against Saint Paul, a team that they beat earlier in the day. Again in a final that went to the tie breaker, the boys lost by one point to their flag rivals this season. The junior boys will finish off the year with their own 7 v7 tournament next Friday where they will be hungry for a rematch with Saint Paul.</p>
